SUPERVISORS HOLD REGULAR MEETING

NEW COAST ROAD PETITION. CLAIMS FILED AGAINST CONSTRUCTION COMPANY.

Contracts let for Highways and Other Improvemets in Bay and Coast Districts.

The Board of Supervisors met in regular session Tuesday, September 8th, there being present W. H. Brown presiding, Jas. T. Casey, Jno. MacBain, D. E. Blackburn and Jos. M. Francis.

The minutes of the last regular and one special meeting were adopted as read.

The following liquor dealers, having presented the necessary bond and complied with the county ordinance were granted licenses:

First township—G. Gianni, E. H. Daumann, A. Mencacci, A. Stampanoni, L. Grudoni, P. J. Sullivan.

Third township—Neuman Bros.

Fourth township—Carlo de Lucca H. Levy, John Fannacchi.

Fifth township—P. G. Sexton, A. Bennett.

The Halfmoon Bay Power and Light Company, through its attorney, Lee T. Ross, agreed to remove its poles from the highway at the School House cut in order to allow Contractor Willison to continue work of grading for the new road at that point.

On motion of Blackburn, seconded by Francis, F. S. Dularte was cited to appear before the Board on September 21st, to show cause why his liquor license should not be revoked for conducting a disorderly place at Pescadero. He was also charged with keeping his place open after 11 o'clock and for gambling.

On motion of MacBain, seconded by Blackburn, the Pacific Gas and Electric Company was awarded a contract to furnish current for the Menlo Park Lighting District for a period of five years, the price being $2 a lamp per month. The company agrees to furnish all lamps destroyed during the life of the contract. The company has been lighting the district for the past five years; its price during that period was $2.50 a month. Under the terms of the new contract the district will save the sum of $450.

The following concerns filed claims against the Kauffmann-Price Construction Co., who had the contract for constructing a bridge on the Whipple road in the Fourth township: Hull Bros. $55, Gray, Thorning Lumber Co. $332.05, Edward Dearborn $209.88, Tacoma Mill Co. $43.50.

Clark & Henery were given extension of 30 days time to complete the Woodside road. They petitioned the board for 60 days, but the board thought 30 days was sufficient.

On motion of Blackburn, seconded by Casey, H. Lumbras was granted permission to peddle peanuts in the county.

The San Mateo County Auxiliary Woman's Board, Panama-Pacific Exposition invited the board to attend a rally in the high school auditorium, San Mateo, September 16, at 3 o'clock in the interest of Exposition work. The invitation was accepted on motion of MacBain, seconded by Francis.

A petition was read, signed by W. E. Leahy and other residents of the First township asking that the board take some action toward giving the residents of Millbrae and South San Francisco an easy access to the coast side of the county. They have no way of reaching the coast except by way of Colma, entailing a detour of some fourteen miles. The petition suggested that a road be opened between the end of Sneath lane, now a county road, through the lands of the Jersey Farm Company to a convenient junction with the new Colma-San Pedro road, a distance of about three miles. The petition was ordered filed.

An adjournment was taken for the noon recess.

Afternoon Session.

The board reconvened at 1:30 pursuant to adjournment. All members answered roll call except Casey.

Charles Jacobus, janitor at the courthouse, petitioned the board for a vacation of two weeks. The request was granted on motion of Francis, seconded by MacBain.

Night watchman Alfred Grainger petitioned the board for a raise in salary from $75 a month to $90. The petition was ordered filed, the board failing to take any action on it.

A tie vote occurring at the recent election for the Socialist nomination for the Assembly between H. Meyer and Chris Stader, the board ordered the clerk to place two ballots containing the names of the two candidates in a hat and draw one. Chris Stader was the successful candidate and he was declared the nominee of the Socialist party for Assemblyman.

Judge Lampkin addressed the board in reference to a claim of the State Board of Pharmacy. He said that some time ago he had fined Wong Sun the sum of $100 for having opium in his possession. According to a State law he should have given 75 per cent of the fine to the State Board of Pharmacy but neglected to do so, but instead turned it over to the county treasurer. On motion of MacBain, seconded by Francis, he was refunded the money.

Hess & Benson were granted an extension of 30 days to complete the work on the first section of the Belmont road and 60 days on the second section of the same thoroughfare.

Mr. Perrin asked that a statement be made concerning the funds raised under the county bond issue. He said that the sum of $850,000 had already been appropriated for contracts. It would be well to make provisions for future contracts. Bonds had already been sold amounting to $850,000. Owing to the war in Europe the future bond market might be in bad condition. He thought, the supervisors should take these matters into consideration before awarding any more contracts. The engineer was instructed to make the desired statement.

The written report of J. R. Eubanks, superintendent of the county hospital, who had attended the convention of superintendents of the State in San Francisco, was ordered filed.

The clerk was instructed to write the Ocean Shore Railroad Company, notifying it of the board's acceptance of its conditions as set forth in a letter to the county surveyor, whereby the company is to give a 35 cent rate for hauling rock, providing the county furnish bunkers.

The district attorney was instructed to bring a friendly condemnation suit against the heirs of the N. J. Brittan estate for a right-of-way over the Brittan lands on the west side of the Southern Pacific tracks from Beresford to a point near Redwood City.

The following estimates were received and contracts awarded on highway construction:.

Woodruff creek to first crossing San Gregorio creek—Mahoney Bros. $25,312.76, Blanchard-Brown Co., (awarded contract) $22,494.50.

Halfmoon Bay to Tunitas—R. D. Savage jr., $64,702.39, James Willison (awarded contract) 59,045.02, Wrightson, Anderson & Yost, $66,126.26. Mr. Willison's bid of 13 cents for scarifying and oil screenings should have been 8 cents, which made his bid $59,045.02, thus making the bid lower than the engineer's estimate, which was $61,541.30.

Culvert in Moss Beach—George Doering, $1,400; price concrete, $12.15. M. B. Wiggins (awarded contract) $875; price concrete, $12. Barrett & Hilp, $1297; price concrete, $13. F. L. Richardson, $934.80; price concrete, $10.66. Henry Tuohy, $1,246.73.

Right-of-way fence, Colma to Halfmoon Bay road—C. Littlepage $1148, M. B. Wiggins $1781, Geo. Doering $2,055,. James Willison $1,722.88, F. L. Richardson (awarded contract) $906.80.

Automobile boulevard—Federal Construction Co. 1.04½ Raisch Improvement Co $1.07½, F. R. Ritchie .90, City Street Improvement Co. $1.03½, Blanchard-Brown Co., $1.20. All bids were rejected except Ritchie's and that will be taken up at the next regular meeting, September 21.

Politics, Pictures, Prohibition

On Monday evening next a rare treat (no admission) will be in store for all who wish to attend at the Bell Theatre, when John P. Irish the orator, and Mrs. Vernille DeWitt-Warr the noted authoress and speaker, will talk against the proposed Prohibition amendment from the standpoint of the grape-grower. Mrs. DeWitt-Warr will talk particularly to women and is a most effective speaker. Col. Irish is known as one of the most finished orators in the state. Moving pictures depicting "The History of Grape Growing in California" will be shown. Everyone is invited, women particularly, to what will probably be considered an important event from the clubwomen's standpoint.

THE NEW HATS

ARE WORTHY OF OUR ENTHUSIASM AND OF YOURS, TOO

It does not matter whether it's a small or a large hat that becomes you most, Fashion has said that the one is equally as smart and stylish as the other. There's keen rivalry between the large "Sailors" and the loose-fitting "Boat" and "Russian Turbans," and neither seems to have gained greater popularity than the other.

If the large sailor becomes you most, you'll find them here a plenty—some others of velvet—some with just a stunning wing or quill—others with feather fancies or ribbon bows. And if it's the close-fitting, jaunty little turban that you like best, you'll find scores and scores of them—boat turbans, Russian turbans in oh! so very many different materials and colors and with so many trimmings that your only trouble will be to find which one becomes you the most. The range of price is broad enough to suit your purse.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

For Governor,
JOHN D. FREDERICKS.

The Teachers' Institute

This year the annual Teachers' Institute of this county was held in conjunction with that of Santa Cruz county at Mt. Hermon, a very pretty resort in our sister county. The Institute is always looked forward to as both an educational and social event, and without any doubt the one this year came up to the highest expectations in both respects. Mt. Hermon, situated seven miles inland from Santa Cruz city, is a beautiful spot. The soft warm air, the dense growth of redwoods, the trickling streams and the romantic trails connecting tents and cottages are enough to cause one to forget cares and troubles and begin delightful dreams. But add to these charms a large number of teachers, both young and beautiful, and then every longing is realized, as it was at Mt. Hermon.

Superintendents Roy Cloud and S. P. Price proved themselves a team of good leaders. Their followers had no complaints to make. Sometimes one presided in the tent auditorium and sometimes the other, and both delivered excellent addresses. It is really creditable to San Mateo county the way our Superintendent is gaining a reputation as a public speaker. What he has to say he couches in good English and delivers with earnestness.

The principal instructors of the Institute were Prof. Boone of the State University and Prof. D R. Jones of San Rafael, each of whom delivered a number of excellent lectures, which will prove of great help to the teachers.

The first evening, instead of a formal reception, there was a jolly time around a big camp fire. Songs were sung, stories were told and refreshments were disposed of. That night the silver moon rose over the redwoods, lighting the road to the big trees and many another pathway, along which happy couples, oblivious of things practical, gave themselves entirely to promptings of the heart. They cannot forget the campfire night.

On Admission day no session was held. A number of the teachers went to the Big Basin by automobile, but the greater number went to Santa Cruz city. All had an enjoyable time, the inducements and the weather were so congenial.

It is but just to record that Superintendent Price, through his friends among the orchardists, treated the teachers to many boxes of fine apples, which were eaten with a relish. At the close of the Institute it was decided unanimously to hold the next annual meeting in South San Francisco, so that all the teachers would have an opportunity to visit the 1915 exposition at the same time.

Although the Institute this year did take place during a holiday week it was a great success and adds to the laurels of our efficient superintendent, Roy W. Cloud.

LOCAL NEWS NOTES.

Last Sunday's game at South City between that team and the local boys was called off in the fifth inning because of the wind and dust which at times completely hid the players from view of the bleachers. Tomorrow something new will be pulled off to entertain local fans. The California Giants, a team made up entirely of colored boys will be here to meet our boys on the local field. As some additional expense is entailed by bringing down this team it is hoped every fan will be out as the game is sure to be good as the vititors are a fast bunch.

M. Sheehan was in town yesterday preparing for his campaign for sheriff. Mr. Sheehan is about to launch one of the most vigorous campaigns for that office ever waged in the county. He is to have one of the strongest organizations ever known in the county behind him in the great conflict. Every town of any size in the county will have a Sheehan club, every member of which will work for Mr. Sheehan's election. With such an organization there can be but one result, the selection of Mr. Sheehan as sheriff.

The Knights of Columbus of San Mateo county held their big bazaar at San Mateo during the week for the purpose of securing funds for the building at San Mateo of a home for its members. We are creditably informed that the amount realized from the bazaar is $7000. The cornerstone of the new building was laid on the 9th. Work will proceed at once, and before the winter arrives the building will be well along, the cost of which will be in the neighborhood of $50,000. The Knights of Columbus Hall Association was formed some time ago, and the Council at San Mateo now has nearly 300 members, who are among the leading Catholic gentlemen of the county.

REDWOOD PARK ITEMS.

Mrs. Chas. Brown of San Francisco has moved into her new bungalow. Mrs. Brown's daughter, accompanied by her husband, came up Saturday to stay over the holidays.

Mrs. C. E. Choate of Redwood City came up Saturday to spend the week. She is accompanied by her two daughters, her mother, Mrs. Genochio, and her neice, Miss Maud Silleson.

F. W. Glennan and wife came up from Redwood Sunday morning, remaining until Monday evening as the guests of Mrs. Choate.

F. A. Dixon and wife of San Francisco are spending the week at their pretty bungalow, "Dixie Land."

Ed. Bearborn brought up a crowd of young folks Saturday in his big motor bus. Mrs. Chas Bettin and Jas. E. Van Cort acted as chaperones. All returned home laden with huckle-berries.

Big Vote for Street Lights.

The highway lighting district for Beresford is a project of Richard E. Callahan, Fred L. Clark and other residents of that section who filed a petition with the supervisors about a month ago asking them to call an election. After a hard fight, the petition was withrdawn and a few days later another was filed. Acting on this second petition, the board of supervisors on August 17th passed a resolution calling an election for Friday, September 11.

The Leslie Salt Refining Company, through its attorneys, Ross & Ross and Norman A. Eisner, Filed a petition for a writ or review on August 29, claiming irregularities in the petition of the Beresford people and in the proceedings of the board of supervisors. The petition for the writ named as defendants the members of the board of supervisors and the election officers, namely Fred L. Clark, K. O'Grady, B. C. Murray, J. Mitvalsky, R. P. Hess and A. S. Barron. The request for the issuance of the writ of review was opposed by the supervisors, who filed a demurrer through District Attorney Swart.

Last Tuesday Judge Buck sustained the demurrer of the board of supervisors to the writ of review filed by the Leslie Salt Refining Company. The election for the formation of the proposed Beresford Lighting District took place yesterday with the result that there was a large vote in favor of organizing the district.

Auto Driver Was Negligent.

Judge Buck on Tuesday rendered a decision in favor of Joseph Bourcq, plaintiff in the damage suit of Joseph Bourcq against R. H. Manley and others. On April 24th of last year Mr. Manley and a number of companions ran into plaintiff with their automobile near the city limits of San Mateo. Mr. Bourcq was seated in a buggy and was thrown heavily to the ground, sustaining a fracture of his shoulderblade and other injuries. Bourcq some time afterwards brought suit for damages in the sum of $12,800, alleging carelessness on the part of defendants. The complaint stated that the automobile was driven at a high sate of speed and that the machine had no lights, which is contrary to law. The court after hearing all the evidence allowed the plaintiff damages in the sum of $750. The opinion is as follows:

"This is an action for damages sought to be recovered for personal injuries alleged to have been sustained by plaintiff by reason of the defendant running his automobile into the rear of a buggy in which plaintiff was riding, thereby throwing the plaintiff out onto the ground, inflicting upon him serious injuries, from which resulted this action.

The complaint contains the usual allegations of negligence on the part of the defendant and also contains a statement that the automobile was not provided with lights as required by an ordinance of the Board of Supervisors of this county. Failure to have the lights provided by such ordinance constitutes negligence on the part of the defendant and the evidence shows that the defendant did not have the light on his automobile required by said ordinance. Hence negligence must be presumed. Such being the fact, and no evidence being offered to the contrary, judgment will be for plaintiff for sum of $750.00.

BUCK, Judge."

Bachelors' Ball

The dancing season for the coming year of 1914-15 is to be formally opened on the occasion of the all-night grand ball in Foresters' hall, Saturday night, September 19th. This affair is being given by the Young Bachelors' Club, which held its first dance shortly after Lent. As that event proved to be a great social success as well as a very properly conducted affair, and as the Young Bachelors have many friends throughout the peninsula, it is predicted and assurance is given that the coming ball will be a greater success, if such could be possible. The club cordially invites spectators, who will enjoy an evening of gaiety and music. Mullen's orchestra will "hand out the mustard" and if the orchestra does not play your favorite that night you are requested to ask for it. A good floor committee has been selected and everyone will be kept dancing. The dance will commence at 8 o'clock sharp.

IRISH VOLUNTEERS.

BY REQUEST

Arise you gallant young Irishmen and ring the land with cheers;
Hurrah! hurrah! at last we have found the Irish Volunteers;
And every man who loves his land with rifle forth he will go
For Erin's laws and Home Rule cause against the Orange foe.

O! Carson thought his Ulster bluff would Irishmen dismay
But now we have a brighter and better day,
For Munster men, Leinster men and Connaught men are here
Already fit for action in the Irish Volunteers.

Too long we were trampled under foot, insulted and belied,
But an Irishman can stop that with a rifle by his side;
And if it is fight they want begob from Bombay to Cape Clear,
They will find the hardest nuts to crack are the Irish Volunteers.

So hearty lads of Erin join the National Brigade;
Take every hill and out the drill and never be afraid
For you never know what other foe you will meet in future years,
But keep the foe subdued at home, brave Irish Volunteers.

Down with Carson and their brawling crowd, their day of power is o'er,
Although it took some hundred years, it's broken for ever more;
Bad luck go with ascendency, it died without a tear.
Emmett shed his blood for Ireland boys, success to the Volunteers.

Hurrah again for the National cause—the cause that cannot die;
For coffins, ships, gibbets, starvation they did try,
But we will tell to England straight, let her bend her mind to hear,
Our National spirit she can't break while there is an Irish Volunteer.

So Irish men and Irish boys join the ranks, and join them soon,
And please God you will see us marching to the Raising of the Moon;
We will have Home Rule for Ireland in spite of Carson gang of Peers,
And our liberty we will maintain by the Irish Volunteers.

Mrs. H. Sears recently returned from a lnegthy visit to relatives in Connecticut.

MAY INSTALL NEW MOTOR BUS LINE

OFFICIALS OF THE DEVELOPMENT ASSOCIATION GO TO TACOMA TO INSPECT LINE.

County Representatives Urge San Francisco to Build Connecting Roads With Our Highways.

President M. B. Johnson and Director E. M. Moores of the San Mateo County Development Association left yesterday for Tacoma, Washington, for the special purpose of investigating the practicability of the motor bus car line between Tacoma and Puyallup, a suburb. If such an enterprise can be successfully operated from San Francisco to peninsula points, in opposition to the present electric service, is a question that Johnson and Moores will attempt to solve for the association in behalf of the residents of San Mateo county.

Should the association committee report favorably on this bus line, the Development Association will support such a movement. The establishment of such a motor system will then follow and will be operated at a speedy headway and low fares.

While there are many advantages of the proposed transportation service, among them being a seat for every passenger, the adaptability of the service in this county is a vital one.

San Mateo county is rapidly going ahead with the Bay Shore road which is one of the principal peninsular arteries to the metropolis. San Francisco is not doing its share in peninsula highway building, and as a consequence the San Mateo County Development Association has taken upon its shoulders the task of getting the authorities of San Francisco busy so that our Bay Shore road will be properly connected in that community before the opening of the Exposition.

The association advises the business interests of the county to take advanage of the fact that the State of California has provided an institution in Exposition Park, Los Angeles, for the industrial and commercial education of the citizens of California and visitors who seek information relative to homes, education, industry or commerce. The institution is managed by the State association in the interest of the whole State, every county having equal rights and advantages irrespective of area or population. This work of advertisement is without charge. For further information or the establishment of a free exhibit here address, State Exposition building, Exposition Park, Los Angeles.

Many enthusiastic peninsula residents are striving to win the prize of $10 which the Board of Governors of the San Mateo County Development Association has offered for the best coined phrase or title that will picturesquely describe the good roads, scenic granduer and climate of our county.

Not only will the winner of the prize be $10 richer, but he or she will have the extreme gratification of knowing that he has given to his home community a name that will be used extensively in printed form throughout the land and uttered by countless tongues. The rules set down by the association limit the name to six words, but satisfactory results have been achieved by shorter titles. As an example of what the association wants is cited in the case of San Diego, which is known as "The Harbor of Sun." All answers should be addressed to the Contest Department, San Mateo County Development Association, San Mateo. No limit is placed on the number of answers which the contestant may submit. The contest closes on October 1st, when a committee of judges will canvass all names to decide what's what.

CUPID WINS VICTORY OVER FRANKLIN SWART.

Cupid has won a victory over Franklin Swart, our popular district attorney. He is soon to become a benedict. The bride will be Miss Adele C. Beckman, the charming daughter of Mrs. Wilhelmina Beckman of 2452 Green street, San Francisco.

The wedding will take place in December. The couple will make their home in Redwood City. They will reside in a beautiful residence now in the course of construction in Laurel Terrace.

Though Miss Beckman is a resident of San Francisco, she is well known in this county, where she has a host of friends. Miss Beckman was an enthusiastic Franklin Swart campaigner in the recent election and her charming personality was a factor in getting bushels of votes.

Literary-Musical Treat

The Ladies' Aid Society of the Congregational church gave a pleasant musical and literary entertainment in the church Friday evening that included piano solo by Miss Jessie Smith, violin solo by Prof. Walthers of Mountain View, recitation by Mrs. A. Rapsom of Oakland, vocal solo by Miss Louise Stevens, vocal duet by Miss Stevens and Miss Gladys Maul, and violin solo by Prof. Walthers. Refreshments were served at the conclusion of the numbers.

SAN MATEO HOLDS THREE-DAY FESTIVAL

San Mateo was the scene of a Catholic festival Monday, Tuesday and Wednesday of this week, which was held for the purpose of raising funds for the building of a clubhouse for the Knights of Columbus.

The cornerstone of the structure was laid yesterday with appropriate ceremonies, Archbishop Riordan being present. Joseph Scott of Los Angeles was orator of the occasion. The site is on Griffith street and Baldwin avenue, and was formerly a part of the old Hotel Mateo grounds. It is planned to make the building the Catholic social center of San Mateo county. There will be a gymnasium, tennis courts and swimming pool.

As a preliminary to the festival, a dance was held last Saturday night on a temporary platform constructed on the site of the proposed clubhouse. Peninsula society attended the function in large numbers and the affair proved a financial as well as a social success.

During the three days of the festival there was dancing and music each night. There were booths of all kinds with pretty girls in charge, all of which helped to increase the building fund.

Yesterday was the big day of the festival. Dinner followed the laying of the cornerstone on the club grounds, which were highly decorated in greens for gala array. A polo game on the field of Charles W. Clark of Hillsborough was the big feature of the afternoon.

HAVE WE "MADE UP" WITH THE FLY?

The following ingenious composition on the fly was written by an eighth-grade grammar-school pupil of Vacaville. It is a strong argument in favor of the "Swat-the-Fly" movement that was organized in this city with much enthusiasm several months ago, but has since died a peaceful death:

"I was born in the stable in the rear of the Country Club president's home, on the twentieth of May, nineteen hundred and fourteen. When I was five days old I was escorted by my parents and my three hundred and forty-four brothers and sisters to a horse trough just around the block. Here I was christened Master Haus Fly. It might be here said that I am a true and loyal German (germman).

"On the tweny-sixth day of May I became of age. I rented a spacious and comfortable flat in the 'Garbage Can Apartment House.' The next thing I did of importance was to get married to Miss Wilhelimia Fly.

"I have always been a very industrious fly. During my life I have done many important things. I have been the cause of death of three people and I have ten on my typhoid list now.

"You seem amazed; why that is nothingat all. You see that the other morning I went over to see my friend the milkman. I found him in bed sick with typhoid fever. I spent the morning with him and when I was coming home to lunch I met ten little friends of mine playing marbles. I flew up and kissed each one on the mouth. As the result of my affection each one of those children are quarantined on account of having typhoid fever.

"I belong to quite a number of societies. Some of them are: 'The Give Typhoid,' which meets every other evening on some baby's bottle; 'The Anti-Swat League,' and the 'Torture People.'

"Poor little mischievous fly. He got no further because I 'swatted him dead.' There are millions just like him, too. Let us try to stop this. We can. Why not do it then? He does no good whatever. Why not make Vacaville a 'Flyless Town?' Come one and all—"Swat the Fly."

Elbert Hubbard Arrives

Elbert Hubbard, the distinguished edotor of the "Fra" and the "Philistine," and a noted writer, with whom the San Mateo County Panama Pacific International Exposition Commission some time ago arranged for a write up of San Mateo county, which write up will be used in a booklet to be issued by the commission and distributed at the fair, arrived in Redwood City Tuesday morning. Mr. Hubbard was met at the depot by a delegation of the Commission, and after being shown about Redwood and vicinity was motored to the Peninsula Hotel at San Mateo, and from there, accompanied by the Fair Commissioners, went by motor through Hillsborough, Burlingame, through Millbrae to the chain of Spring Valley Lakes, over to Halfmoon Bay, down the coast to San Gregorio and returning by way of Harrison, La Honda, Woodside, Menlo Park, Redwood City and back to San Mateo. The day was ideal and Mr. Hubbard was both charmed and surprised at all he saw of beautiful homes, broad avenues—of valley, ocean, mountains, streams and towering redwoods.

Several steamer loads of bark have been brought on barges from the mouth of the creek to the Frank tannery. Beeger's tannery is also stocking up with bark, several carloads having been hauled from the freight yards.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts

COLMA NEWS.

COLMA, Sept. 9—There is much activity in roadmaking and general improvement in this neighborhood. Gangs of men and teams are to seen no matter where you look. Nearly all of the people who want work are busy. The energetic Jack Dennis is interested in several localities. There is a large reservoir being built in Daly City. It is the center of the new municipal water system. This is of vital interest to Colma, for it will solve our water question. In all probability there will be water enough for Daly City and Colma too. The reservoir is so elevated that there will be excellent pressure for all.

Cypress Lawn Cemetery Association is building a massive cement brdige across the Colma creek. Besides crossing the creek it will serve as a connecting link between the old and the new cemetery. Great changes are being wrought at Cypress Lawn, the greatest being the raising of the county road.

The county boulevard from the State Highway past Thornton's is open to travel. It looks like a good piece of work. The remaining space along the sides of the boulevard should be attended to at once in order to protect the work that is finished.

M. Belli & Co. have put down a granite curb and fine cement sidewalk which are the admiration of all the people. The pioneer firm is deserving of congratulation for the enterprise shown. The street in front of the store property out the boulevard will be cemented and bituminized according to the most modern ideas.

The home of Mr. and Mrs. Joseph Altieri is fast nearing completion. It will be another ornament to the town.

The stock-holders' annual meeting of the Colma Hall and Building Association has been set for the evening of Wednesday, September 16. All interested should attend. Be present, or be silent ever afterwards.

The town is at last becoming settled from the excitement occasioned by the hold-up of the Colma hall. The Happy-go-luckies are not scared to death They will try it again in the near future.

The Druids of Olive Grove No. 116 of this town propose giving a basket picnic at Marine View, on the Ocean Shore, on the second Sunday in October. Although this is somewhat late it is the best time of the year for a coast picnic. The weather may be depended upon to be agreeable. The fare for the round trip, including admission to the dance pavilion, will be only a dollar. This will give all an opportunity to enjoy a great day's pleasure.

This week the schools are closed, all the teachers being obliged to attend the Teachers' Institute which is being held at Mt. Hermon, in Santa Cruz county. The teachers of the two counties are meeting together. In addition to instruction of the Institute, the teachers are to be given an opportunity to visit the Big Trees and the Big Basin. It will be a pleasant and profitable outing for the teachers.

HAPPY LA HONDA

LA HONDA, Sept. 9—The Idoc outing club of San Francisco was camping here from the 5th to the 8th. This was the first annual outing of the jolly club and all the members were well pleased with La Honda. The club was organized on the 4th of July, hence the name, Independence Day Outing Club. Wm Leichner is president, L. Mohlfeldt secretary, and L. Lennis treasurer. Come again.

Our genial old friend Fred S. Robbins of the Bulletin was here once more with his hikers, eight husky lads, who spent Sunday and Monday with us, all on their way to Pescadero and the Big Basin.

Mrs. M. E. Collins of San Francisco, and children and friends, spent the week's end at the new Collin's bungalow on the County road.

At William Brownell's hospitable place in the Alpine are Andrew Johnson, Charles Orr and Herbert Darneal of Alameda, thoroughly enjoying themselves.

Mrs. Charles Cavalli is visiting her parents, Mr. and Mrs. C. E. Olsen in San Francisco, to be gone a week or two. Her daughter Gladys is with her.

Some of the elite of San Gregorio visited us this week. The happy party comprise Mr. and Mrs. Jack Mesquite and daughter, Mis Lilla Roe, Miss Mabel Carlin and John Marshall.

Miss Story left Saturday to attend the Teachers' Institute in the Santa Cruz mountains.

Miss Florence Meisner, who teaches at Wurr, passed the week end at her home here.

Mrs. Geo. Winter and Miss Marjorie Winter have passed the holidays in Modesto, where they were the guests of Dr. and Mrs. J. Sims.

VEGETABLE FARMING ON ASH DUMPS.

For many years the Frank Tanning Company's employes have been demonstrating that our marsh land when reclaimed and treated to top dressings of tan-bark produces wonderful crops of vegetables and berries.

This week's telegraphic reports recite that vegetable farms now flourish on many acres of saltmarsh land in the outskirts of New York that have been filled in by ashes and other refuse. This ash-dump property, within easy driving distance of the city's markets, has lain for years apparently useless, hardly worth the taxes, until recently a vegetable trucker applied for a license. "Why there's nothing but ashes," exclaimed the owner. "So much the better," said the gardener. And now, on this waste area, supposedly without a semblance of soil, around crude buildings constructed from waste wood and scrap tin—neither large nor artistic but providing shelter for the boss, his family, eight helpers and two horses, have come luxuriant fields of waving corn, high pole beans, crisp lettuce and cabbage, red ripe tomatoes, all kinds and varieties of vegetables, growing as if the soil were the most fertile in the world. How is it done? Maybe it's the ashes, suggests the trucker.

IMPORTANT FOREIGN NEWS

The foreign population of Mexico City spent an anxious night, due to their inability to communicate with the outside world, the Federals having cut the overland cable connection between Mexico City and Vera Cruz, but it was restored the following morning.

It has leaked out that Carranza refused to treat with Sir Lionel Carden in the recent conference of the committee of diplomats.

It is announced that General Luis Blanco will immediately begin an active campaign in the south against the Zapatistas.

The Minister of War, Velasco, and the last of the Federals, have left the city.

Robles Dominguez has been named Governor of the Federal District by Carranza.

Eduardo Hay, acting Secretary of War, and Ysidro Fabela, Minister of Foreign Relations, are already established in the capital.

The censorship which the Federals maintained during the campaign will be continued.

Five thousand Federals, who were permitted to retire to Guadalupe with their arms, issued a manifesto, declaring they would start a new revolution, but the Constitutionalists offset this by assurances that they were able to control the situation.

General Alvaro Obregon, commanding the troops in the capital, has posted notices that any officer, soldier or civilian guilty of a crime or of disturbing the peace will be put to death, without trial.

Three intoxicated Constitutionalists were shot in the suburbs for forcibly entering a house.

The diplomatic corps is greatly disturbed concerning the safety of 20 foreigners who, it is rumored, are menaced by Zapatistas at San Rafael, near the capital.

W. Cunard Cummings and Sir Lionel Carden has started a movement to organize and arm a relief squad.

Burlingame Street Fair

On Saturday Burlingame was bedecked as a fairyland, the fifth street fair being in full swing. Park road was converted into the carnival street and attractive booths were arranged along the sidewalks, in the Woman's clubhouse grounds and on vacant lots.

A feature of the fair was the Spanish supper served by a group of club women under the leadership of Mrs. A. B. Kreft. An open-air dance Saturday evening was the final event.

The Southern Pacific Company is being commended by the people of Menlo Park for putting the 1 o'clock train to San Francisco on its new schedule. The new train gives the afternoon traveler an opportunity to partake of the mid-day meal before leaving. Then too, the train arrives in the city just in time for the matinee. It is a very convenient train and it is to be hoped the company will keep it on its schedule.

CITY COUNCIL TRANSACTS ONLY ROUTINE BUSINESS

Tuesday evening's meeting of the city council was a decidedly uninteresting one. so far as the amount of public business disposed of was concerned. With Trustees Haffir and Tuchsen absent the remaining members of the board evinced a disposition to dispense with the consideration of any but pressing routine business, though some time was given to a general discussion of general needs of the several business departments of the city's work.

In response to a request from the Inland Waterways Association that the city be represented at the semi-annual convention of the association which is to be held at Stockton on the 24th, 25th and 26th of the present month. Trustee Tuchsen was named as the official representative of the council, the work of the association being one in which he is particularly interested.

The ordinance designed to regulate the establishment and maintenance of public garages, which has been under consideration for several weeks, was given final passage by the unanimous vote of the three trustees present. Under the provisions of the ordinance it will be necessary in the future to secure a permit from the council for the establishment of a garage intended for the public storage, keeping and repairing of automobiles and other motor propelled vehicles.

Acting upon the suggestion of the "motor cop," it was decided to erect warning signs at the city limits upon the main county highways, giving notice that speed must be reduced to the legal limit of 15 miles per hour by drivers of automobiles. Trustee Deleau was delegated to outline a design for the signs and to designate their location.

The oft repeated complaint of damage and annoyance from soot emitted from oil burning furnaces was again called to the attention of the council, wtih a result that a determination was srongly evinced to put a stop to the nuisance. While no definite action was taken at the meeting, Clerk Plump was directed to notify the offending owners and request that they find some remedy. If this course fails to produce the desired results it is possible that some drastic action will soon be taken.

Chief Winter reported to the council that the fire department was somewhat handicapped by lack of efficient hose,, a condition which would place the department at a serious disadvantage should a fire of any magnitude occur, of which there is especial danger during the dry season. While most of the hose now in use was in fairly good condition, some of it, Chief Winter explained, had been in use for more than fifteen years and was thus liable to become unfit for service at any time. After a general discussion of the needs of the fire department and the merits of the various makes of hose, Chief Winter was given authority to purchase at his discretion 400 feet of hose of a make which should meet his approval.

Street Superintendent Dickey was directed to make temporary repairs on the roadway of Broadway between the railroad tracks an the County road, the work to be done with the first seasonable weather.

McKay Contests Primary

John McKay of San Gregorio brought a contest in the Superior Court last Saturday against D. E. Blackburn and C. V. Thompson for nomination of supervisor of the Fifth district. The count as made by the election boards in the Fifth supervisorial district gave Blackburn 105 votes, Thompson 103 and McKay 102.

McKay claims the election officers in at least two instances failed to instruct voters to use the rubber stamp and that they used pencil instead. These ballots, which he claims were favorable to him, were thrown out, hence the contest.

The hearing of the contest was set for Thursday last, but when the matter came up in court Judge Buck, at the request of Attorney A. Kincaid, and with the consent of the other lawyers the case was continued until next Wednesday at 10 o'clock, at which time the ballots will be opened and counted. Attorneys Ross & Ross appear for Mr. McKay, A. Mansfield for Dr. Blackburn and A. Kincaid for Dr. Thompson.

Mrs. George Underhill and relatives desire to thank the many kind friends who assisted during the illness and at the death of Mrs. Sophie McDevitt. They also wish to thank all the kind neighbors and others for their kind expressions of sympathy and for the wealth of folral gifts.

REPUBLICAN COMMITTEE ORGANIZES

County Campaign Managers Adopt Strong Platform and Endorse Party Nominees

The Republican County Committee elected at the recent election, assmbled in Assessor Hayward's office in the court house last Wednesday. Those who answered roll call were: F. A. Cunningham, M. M. Millett, August Berg, W. T. Eva, S. D. Merk, G. J. McGregor, H. W. Rike, E. E. Skinner, V. H. Woods, R. F. Chilcott, W. K. Fletcher, John MacBain, D. E. O'Keefe, John W. Gilcrest and D. J. Lynch.

John MacHain, chairman of the old county committee, called the meeting to order in a few appropriate remarks. After declaring the election of a temporary chairman in order, E. E Skinner took the floor and placed John MacBain in nomination. The nomination was seconded by W. J. Eva of San Mateo and there being no further nominations Mr. MacBain was elected. R. F. Chilcott was chosen as temporary secretary. On motion of E. E. Skinner, seconded by D. J. Lynch of Halfmoon Bay, the chairman was authorized to appoint a committee of five on Platfrom and Resolutions whereupon the chair appointed G. J. McGregor, F. A. Cunningaam, W. J. Eva, E. E. Skinner, and S. D. Mark. On motion of G. J. McGregor, seconded by D. E. O'Keefe, the chairman was authorized to appoint a committee of three on Permanent Organization and Order of Business. The chair appointed Victor H. Woods, D. E. O'Keefe and R. F. Chilcott. At this juncture an adjournment was taken to give the committees sufficient time to make a report.

At 12 o'clock the commitiee reassembled when the committee on Regular Order of Business reported as follows:

First—Adoption of the report of the committee on Regular Order of Business. Second—Election of a permanennt chairman. Third—Election of a permanent secretary Fourth—Adoption of the report of the Committee on Platform. Fifth—Appointment of a committee on Finance Sixth—Granting authority to tac chairman and secretary to advise the Hon. John D. Frederickss of our unswerving loyalty to his candidacy for Governor of our great state. Victor H. Woods, R. F. Chilcott, D. E. O'Keefe, committee. The report was adopted on motion of F. A. Cunningham, seconded by W. J. Eva. G. J. McGregor of Burlingame took the floor and in a brief but splendid speech placed E. E. Skinner in nomination for permanent chairman. He said that while there were a number of Republicans present who would make ideal chairmen yet he believed Mr. Skinner had more time to attend to the duties of the position than anyone else. Mr. Skinnner would devote his whole time to the cause and was sure his efforts would result in a sweeping victory for the Republican party in the county in November. The nomination was seconded by W. J. Eva. There being no other nominations Mr. Skinner was declared elected. On taking the chair he delivered a short address in which he pledged his loyalty to the Republican party. On motion of D. E. O'Keefe, seconded by D. J. Lynch, R. F. Chilcott was unanimously chosen permanent secretary.

G. J. McGregor read the following platform in a clear voice and sentiments contained therein were loudly applauded by all present. The reading of the platform created unbounded enthusiasm:

"We, the republican County Committee, in regular session do hereby re-affirm our allegiance to the principles and tenents of the Republican part, the party that solidified a nation and under whose wise administration and guidance, this great country has taken and maintained its place among the great powers of the earth.

We especially believe that the interests of the Commonwealth of California, can best be conserved and advanced by returning the state to the fold of the Republican party through the election of John D. Frderericks as governor.

And to bring success to the Republican party and to conserve the best interests of the State of California, we urgently request the people to support only those candidates who are actuated by Republican principles or who received their nominations on strictly party lines.

We hereby condemn the present state administration for its lack of wisdom in its legislative, executive and administrative capacity, in enacting laws which are leading us into a state of chaos, and in bringing disrepute upon our state; driving from our midst industries so essential to our welfare, thereby causing our natural resources to lie dormant, our farmers to till the soil with unncertainty, and tending to deprive our laborers of continuance of employment so necessary for a happy and contented people.

We further condemn our present administration for the nefarious methods it used in the presidential election of 1912, which deprived Republicans of their vote according to their party principles.

We recommend the election of Hon. J. R. Knowland for the United States Senate. His past services will render him an able representative in the Senate.

We again commend the loyalty of our able representative in Congress, the Hon. E. A. Hayes, for his unselfish devotion during the recent primary election, thereby jeopardizing his own chances for re-nomination. Mr. Hayes, our Congressman, has always placed the public welfare above his own private interests, and as a stalwart Republican he has ably represented his constituency in Congress, and brought honor upon the nation. We urge the voters to again re-elect Mr. Hayes to Congress, so that the great work of this most able representative will continue to the everlasting credit of our district and our state.

We likewise feel that the interests of San Mateo county will best be served by the re-election of the Republican nominee for the Assembly, the Honorable Henry Ward Brown.

We admire and commend the sterling American principles of our standard bearer for governor, the Honorable John D. Fredericks, and feel that every voter, who has the best inerests of the State a heart will rally behind this stalwart Republican as he leads our party to success—a success which is so vitally necessary for the future development and progress of our state and so essential for the future happiness of our people—a success which will usher in again that great Republican principles, that the power of government is not derived from the ruler, but from the consent of the governed.

We deeply appreciate the activity and loyalty to Republican principles expressed by the women voters of San Mateo county at the recent primary election, and we feel assured that they will continue to render to the Republican party that same allegiance in the future that they have in the past, thereby bringing to their fireside those high ideals of education and material prosperity which is so essential to the welfare of all people.

We, the regular elected representatives of the Republican party of San Mateo county in regular session on the 8th day of September, 1914, do hereby respectfully commend the foregoing to the voters of San Mateo county for their ernest consideration and support."

On motion of MacBain, seconded by John Gilcrest, the following were appointed a committee on finance: John MacBain, W. J. Eva, F. A. Cunningham, G. J. McGregor and Victor H. Woods

The chairman and secretary were instructed to advise the Hon E. A. Hayes, the Hon. John D. Fredericks and Hon Joseph R. Knowland and Hon. Henry Ward Brown of the loyalty of this committee and of all the Republicans in San Mateo county

The meeting then adjourned to a call of the chair. A meeting will be shortly held by the committee to plan a vigorous campaign in the county.

Notable Society Event.

At 6 o'clock this evening, at St. Peter's church, where a year ago last June her sister Lavina became the bride of Oscar A. Sahlberg, Harriet Fox the youngest daughter of Mr. and Mrs. Claude Fox of this city will be led to the altar by Mr. Sahlberg's brother, Charles W. Sahlberg. The wedding will be private, only the immediate relatives of both of the contracting parties being present. The beautiful service of the Episcopal Church will unite the happy couple, the Rev. David M. Crabtree officiating. Miss Fox will be attended by her cousin, Miss Fay Thorpe, as bridesmaid, while the groom has selected his brother Adolph to act as best man.

Both young people are well known in this city, where they have a host of friends. Miss Fox, while born in San Francisco, has spent practically all her life here and has grown to womanhood in our midst. She has endeared herself to all by her strong womanly character and lovable disposition. Mr. Sahlberg is a sterling young business man who enjoys the confidence and respect of his employers, George Beadle & Co., shipping merchants of San Francisco, where he has been employed for over ten years.

Immediately after the wedding the young couple will leave for Portland, Oregon, on a two weeks' honeymoon trip, and upon their return will reside in San Francisco.

A Splendid Roadway.

The people of San Mateo county, and especially those who live in the vicinity of this city and near Woodside, are fast realizing that the work being done by Clark & Henery on the road leading from Redwood City to Woodside is of a character that will cause the road, when completed, to stand for years to come as a monument to the contractors which our children can point to with pride. As evidence of the durability of the road's construction, a thirty-ton steam shovel was recently taken over the highway just five days after the rock was laid, without leaving a single blemish to show that the ponderous machine had passed along, and it is safe to predict that the road will be in perfect order long after those who opposed the expenditure of the money for its construction have passed hence. Messrs. Clark & Henery are certainly deserving the most sincere thanks of the public, and the people at large are to be congratulated in having such honest and conscientious contractors employed in constructing what will be one of the finest and most durable highways in the State of California.

Progressives Organize.

The Progressive county committee met in the law library of the courthouse Tuesday and organized by selecting the following officers: Chairman, Cutler Bonestell; secretary, R. A. Jess; vice chairman, George C. Ross; treasurer, John B. Hillman. To these named members of the committee there was added Mrs. Lila williams, Mrs. Hill, E. Squires and R. C. McLoughlin to constitute the executive committee. The publicity committee will be the chairman and secretary ex-officio and C. M. Morse and G. E. Dunn.
